

DARWIN INFANT RECLINE

Infant Car Seat (40-75 cm) - ECE R129/03

CAR SEATS

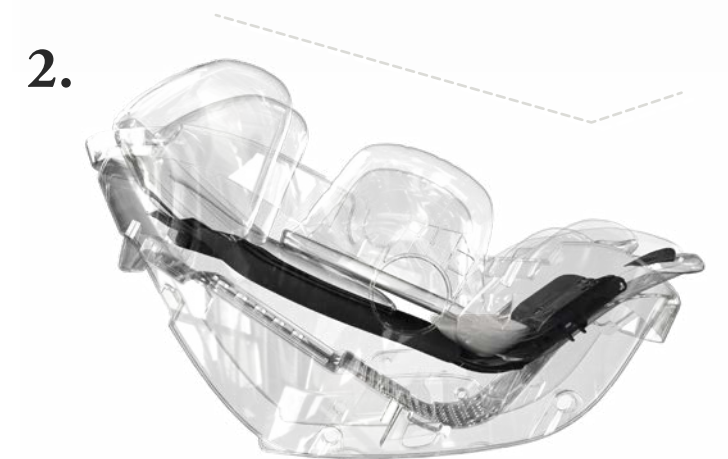

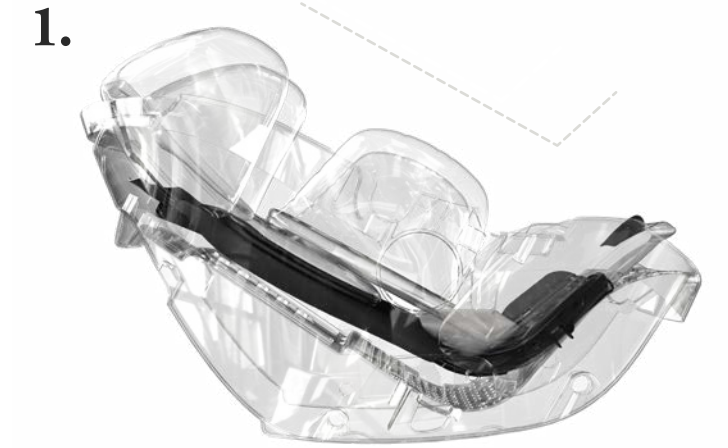

It can be reclined either when transported in the car, in combination with the Darwin 360° i-Size base, or when attached to the chassis.

The reclining car seat for safe and relaxed travel.

The innovative **I.S.A. (Integrated Shock Absorber)** technology absorbs and reduces the energy transmitted to the child in the event of a collision, thus ensuring maximum safety conditions even when supine.

Side Head Protection system equipped with inserts in expanded polyurethane for extra protection against side impact.

Height-adjustable headrest with central mechanism. The 3-point safety harness is incorporated into the headrest and is height-adjustable to grow at the same pace as your child.
